*BCA - 7.96*                                                                         *Kolhapur*

## COURSEWORK / SKILLS

- Data Structures & Algorithms
- Operating Systems
- DBMS
- Artificial Intelligence
- OOPS Concept
- Web Development
- Android Development
- C++
- Core Java
- ASP.Net
- SpringBoot

## PROJECTS

**Trek Booking Web App** | HTMl, CSS, ReactS, Axios, SpringBoot, MySQL                **07 2023**

- The back-end manages the business logic, while the front-end uses Axios to communicate with the back-end and provide a modern and responsive interface.
- It provides customers with a user-friendly platform to browse and book trek packages.
- The back-end is responsible for managing the business logic, while the front-end utilizes Axios to establish communication with the back-end, ensuring a modern and responsive interface.

**Uniland Real Estate** | HTML, CSS, Bootstrap, MySQL, SpringBoot                     **03 2023**

- Implemented multiple agent functionalities for property insertion, allowing users to browse and connect with agents.
- The Uniland Real Estate Web App is a full-stack web application developed using Java for the back-end, MySQL for the database, HTML, CSS, Bootstrap 4 for the front-end and also use other plugins.

**Food Delivery Web App** | HTML, CSS, ReactJS, ExpressJS, Atlas, NodeJS, MongoDB      **10 2023**

- The Food Delivery Web App is a full-stack web application developed using Node JS for the back-end, MongoDB for the database, ReactJS for the front-end.
- Designed and styled the user interface using HTML and CSS. Ensured seamless data storage and retrieval through RESTful APIs. Employed Git for version control and successfully deployed the application. Implemented robust authentication for secure user access. Demonstrated proficiency in end-to-end web development in a collaborative environment.

## INTERNSHIP

**Wolfox Pvt Ltd**                                                           **01 2023 – 04 2023**
*Full Stack Developer*                                                               *Kolhapur*
